

SUBSCRIPTIONS BY DIRECT DEBIT

Members of the Club may pay their subscription by Direct Debit. Members who have already renewed their membership may submit a mandate to automatically renew their membership in subsequent years thus avoiding a special trip to the office; it will also help the administration by spreading the workload over a longer period.

Deductions will be made quarterly on or after the 1st. day of April, July, October and January of each year.

The club membership year is from 1st April to the 31st. March each year continually renewable until the member notifies the Club otherwise.

Current membership fees for those paying by Direct Debit are:

Full Member (Family)	£8.75 per quarter
Full Member (Single)	£7.50 per quarter
Senior Double	£6.25 per quarter
Senior Single	£5.00 per quarter
Junior Associate (16 to 18 years)	£4.50 per quarter

Membership fees are normally reviewed by the Board in January of each year, no increase shall take place unless the membership has been notified at least 10 clear days before the deduction is due.

In normal circumstances 28 days notice shall be given.

Members who cancel their Direct Debit facility before the end of the membership year will be in default, and will not be reconsidered for further club membership until the arrears for that year are paid.
