

## The Ashlett Club at Ashlett Creek

Thank you for your enquiry. Please find enclosed our current menu options and booking terms which are designed to make your function as enjoyable as possible.

We try to provide the best possible service, choice, freshness of food, and that personal touch which should make your occasion special.

Your function room is situated on an upper floor of a 'listed' Tidal Mill and overlooks beautiful Ashlett Creek within the New Forest National Park. Your room has an Old English skittle alley, a game which is fun and safe for all ages (so long as you have the energy). We can even arrange for ball boys (if available).

We hope to be able to accommodate you and the members of your party. Specific dietary needs are taken into consideration. Should you wish to arrange live music or a DJ then we will be happy to meet your needs.

We are a responsible club and ask that all functions, especially those involving young persons be adequately supervised to prevent annoyance to others and allow us to function within the recently introduced Licensing Act.

Please feel free to contact our friendly staff (Paul & Andrea) to arrange your specific needs and requirements. You are welcome to inspect the room during normal opening hours. Should you wish to personally decorate the room, you may do so. We do ask that Blue Tack or Drawing Pins are not used.

Visit our website at <http://www.watersideclub.co.uk/ashlett.html> for further information.

*Looking forward to hearing from you*  
*Paul & Andrea*
